Fashion: 5 new brands to know this week

BY EUGÉNIE TROCHU
APRIL 19, 2019

These 5 must brands, found on Instagram, are the safe bet of the week ... And a summer at the forefront of fashion.

Bernadette

No, **Bernadette** is not a young shoot *made in France*. But she could have. With its timeless vintage aesthetic, this Belgian brand launched by a mother and daughter combines all the attributes of success. Either a model declined from every angle: the silk dress, reinvented in shades and poetic prints to put on without effort ... But always with style.
